

## **RATED X AMSTERDAM ALTERNATIVE EROTICA FILM FESTIVAL**

**! AN OPEN CALL TO ALL AMATEUR EROTIC FILM MAKERS !  
! THE RATED X "HOMEMADE MARVELS" PROGRAM IS HERE !**

In this day and age of the internet, and the overwhelming amount of amateur/private/homemade videos of all the erotic joys the average Joe experiences, we at the RATED X festival would like to ask you to send us your homemade erotic video for the RATED X HOMEMADE MARVELS program as part of the 2008 edition of the RATED X festival January 2009. Because we think you might know best what the on-screen erotic should look like!

Are you making erotic videos for the fun of it and do you spend time making them more exiting to watch than the average crummy 'amateur' video? Do you feel that your videos are easily as erotic as what the commercial industry produces? Do you have your own take on how to bring the erotic to the screen? Are you experimenting with erotic imagery? Are you artistically involved? Are you proud of your work? Do you want to share it with a larger audience? Send it to us!

For the THE RATED X HOMEMADE MARVELS PROGRAM we invite you to send us an erotic short movie with a duration of a maximum of 10 minutes. Out of the submissions, the RATED X crew will compile a program which will be screened during the RATED X - Amsterdam Alternative Erotic Film Festival at the Studio/K cinema in Amsterdam January 2009.

This is an open call in every sense of the word – there are no restrictions on content. Whatever you feel to be up to par goes! It's important to keep in mind that the quality of the image should be as good as possible, since it might be projected on a big screen in a cinema setting. The same obviously goes for the sound quality. Please read the rules & regulations, fill out the entry and release form and send us your submissions on a DVD (avi / divx preferred for a data file or a regular burnt DVD preferably region free, system PAL).
